

NAME

Else Mundal

BIOGRAPHICAL NOTE

Else Mundal is professor of Old Norse philology at the Centre for Medieval Studies (CMS), University of Bergen, and the leader of one of the CMS's four research projects called "The Arrival of Writing". Her main areas of research are Old Norse saga literature, Eddic and skaldic poetry, Old Norse mythology, the relationship between oral tradition and written literature, and the impact of Christianization on Old Norse culture. She has published widely within all these fields.
